### **AWSC Trail Pass Processing**

Remember you have to have an active membership with the AWSC to obtain your trail pass. The fines for no trail pass have increased to \$250 and they will be issuing tickets. Further the DNR now has access to snowmobile registrations so only purchase trail passes for snowmobiles that are registered to you.

The AWSC is now charging \$1.50 per roster transaction to help offset credit card fees for online roster updates. Therefore, we will charge any new membership from January 1<sup>st</sup> thru June 31<sup>st</sup> of any snowmobile season a \$1.50 extra service fee, along with their membership fee.

Also with the new service fee, we will only be processing membership renewals twice a month on the 13<sup>th</sup> and 28<sup>th</sup>. That way we will meet the deadline for the AWSC to mail out our membership cards. As they mail out only twice a month on the 15<sup>th</sup> and the 30<sup>th</sup>.
